

Your Personalized Support for ERLEADA[®] (apalutamide)

We understand managing life with prostate cancer can be challenging, but you don't have to do it alone. At Janssen, we offer free personalized 1-on-1 support over the phone through our dedicated team of *Janssen Compass*[®] Care Navigators. These experienced nurses are here to support you throughout your treatment journey. When you sign up, your dedicated Care Navigator can help with:

Paying For Your Medication

We're here to help you find financial assistance options that may help you pay for your medication, regardless of your insurance type

Learning About Your Treatment

Gain a better understanding of your cancer and medication. We'll provide tips on how to have meaningful conversations with loved ones and your care team during cancer care visits

Empowering Support

Discover effective lifestyle and coping skills to help manage stress. We'll connect you with a range of resources, including support groups and transportation-related services

Schedule an introductory call with your Care Navigator:

Call us at 844-628-1234

OR text "Call" to 844-628-1234

Monday through Friday 8:30 AM to 8:30 PM ET.

Janssen Compass[®] is limited to education for patients about their Janssen therapy, its administration, and/or their disease. It is intended to supplement a patient's understanding of their therapy and is not intended to provide medical advice, replace a treatment plan from the patient's doctor or nurse, provide case management services, or serve as a reason to prescribe this medication.*

*The personal information you provide about yourself through text message will be used by Janssen Biotech, Inc., and its affiliates, and the program's service providers (collectively Janssen) to contact you by phone to describe the *Janssen Compass*[®] program and complete the enrollment process. The Privacy Policy further explains how Janssen processes the personal information you provide. By texting "CALL," you indicate that you have read, understand, and agree to these terms.

By texting "CALL" to 844-628-1234, you consent to receive automated text messages from the *Janssen Compass*[®] program to schedule a call with a dedicated Care Navigator and to learn more about the program. Please note that text message and data rates may apply. You may opt out at any time by texting "STOP" to 844-628-1234.

Please do not share any unprompted personal or medical information as we are not able to reply to messages other than "CALL." If you have specific questions, please contact a *Janssen Compass*[®] Care Navigator at 844-628-1234 Monday-Friday from 8:30 AM - 8:30 PM ET.

Call your doctor for medical advice about side effects. You may report side effects to the Janssen Medical Information Center by calling 800-526-7736.
